Clothing designed for the dialysis patient

Call 1-888-9ZIPPER (1-888-994-7737)

AccessWear was created by two Connecticut dialysis nurses. Based on their genuine concern and patient advocacy their goal was to help dialysis patients, like you, "keep their shirts on" during treatment. You will appreciate the results of their efforts as this shirt not only provides convenient access, but will also keep you neat, comfortable, and most importantly, warm throughout your dialysis treatment.
